Add'l Care Program

Available only for days when students are enrolled in a tutoring program.

Additional Care **provides students with additional supervision between the hours of 3:30p and 7p.** Students will enjoy rotating enrichment classes such as art, science, coding, along with free play and independent project time.

This is meant to support families whose children can get to their tutoring programs but need a later pick-up time due to work or other commitments.

Cost: \$165/month

Add'l Discounts

Carpool Incentive

If you have the ability to help carpool another family's children, you are eligible for our carpool incentive program!

For any month when you are actively transporting another family's children, you'll receive 10% off your monthly tuition.

Please reach out to Karyn Keene for more on this program.

Sibling Discount

For families with multiple children, we offer discounted rates for additional children enrolled.

First Student: Full Rate
Second Student: 5% off
Third Student: 10% off
